

MOON & DONUT LIGHTS

CANQUA

TUNABLE SUSPENDED ROUND LIGHTS

MOON & DONUT LIGHTS

These sleek round pendant light brings contemporary elegance to any interior. Designed with a minimalist black frame and integrated LED illumination, it provides soft, even lighting that enhances both residential and commercial spaces. Suspended gracefully with fine wires, the fixture creates a floating effect, making it an ideal centrepiece for hotel lobbies, offices, dining areas, and modern living rooms. Combining style with functionality, its energy-efficient design ensures long-lasting performance while adding a sophisticated architectural statement to your space.
